ABSTRACT SUBMISSION CRITERIA

PUBLICATION:
Successful abstracts will be published in the BJUI.

Abstracts will be published in the format they are submitted.

In order to ensure the abstracts meet the criteria of the BJUI please ensure you follow the below ‘Structure of Abstracts’ for preparing your submission. Abstracts will not be accepted or considered for presentation if they do not follow the below criteria.

STRUCTURE OF ABSTRACTS:

- Abstracts must be submitted in Microsoft word format.
- **Title**: The abstract title should be in initial capital/lower case, not all capitals.
- **Authors**: Authors names should be supplied in the surname-last format and should be in initial capital/lower case, not all capitals. Institutional affiliations should be indicated with superscript numbers following the author name. Maximum of 10 authors.
- **Affiliation**: All affiliations should contain institution, city and country.
- **Abstract text (maximum of 250 words)**:
  - Sub-headings used must be:
    - Introduction
    - Methods
    - Results
    - Conclusion
    - References (maximum of 3)
  - References can be included in the abstract text or as a list following the abstract. The style of references should follow the style of the Journal e.g. numbered or author / date style. Any references included in the reference list must be cited in the abstract text.
- **Tables**: Tables can be included with abstracts and must be cited in the abstract text. The abstracts themselves must be in text, not table format.
- **Figures**: All figures should be cited in the text of the abstract.
