Please note: The above listed benefits are only available to eligible hospital based Clinical Lecturers and Tutors

To find out how to claim expenses please contact staff_L&D@rcsi.ie

RCSI

List of Approved Courses

RCSI will make a contribution (up to €450 per course) towards the costs of the following approved clinical courses which are undertaken within Ireland by Clinical Lecturers and Clinical Tutors

Approved Clinical Courses
Basic Life Support / Advisory External Defibrillation (AED) Course
ACLS – Advanced Cardiac Life Support
ATLS – Advanced Trauma Life Support
APLS – Advanced Paediatric Life Support
EPLS – European Paediatric Life Support
PLS - Paediatric Life Support
PALS - Paediatric Advanced Life Support
NRP – Neonatal Resuscitation Programme
Immediate Care Course – Cardiac
Immediate Care Course - Trauma
Immediate Care Course – Paediatrics
Care of the Critically Ill Surgical Patient
Acute Life Threatening Events: Recognition and Treatment
Acute Medical Emergencies: The Practical Approach

The sum of the contribution towards these clinical courses will be €450 per course. In cases where the cost of the clinical course is less than €450, then the amount contributed will be the same as the cost of the examination.
